Go  
get the  
flower from  
the  
South  
Hill.

I know  
I will  
break  
the  
rules.

But  
this is  
the only  
way...  
to heal  
me.

For  
you,  
your  
highness.

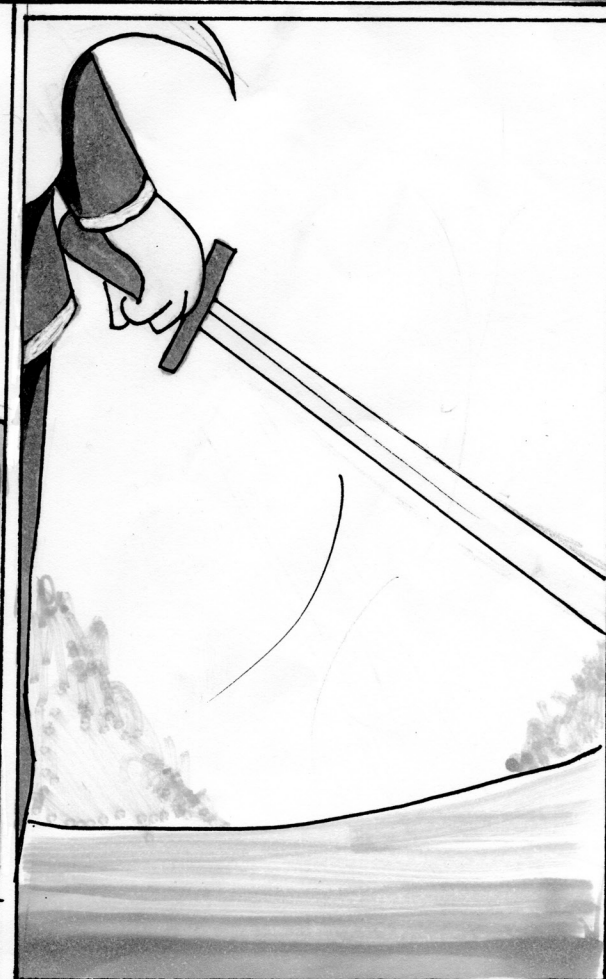

Surrender!  
Surrender  
yourself!

STEP

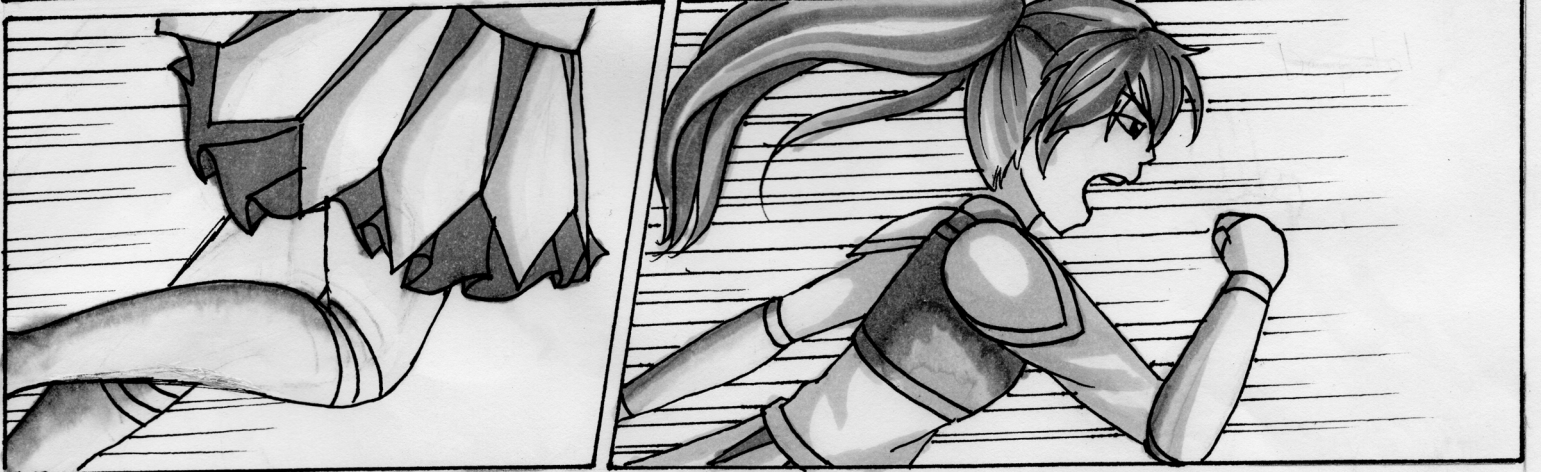

NEVER!!

You know  
our kingdom  
has a boundary.  
The flower you  
wanted belongs  
to our  
kingdom!

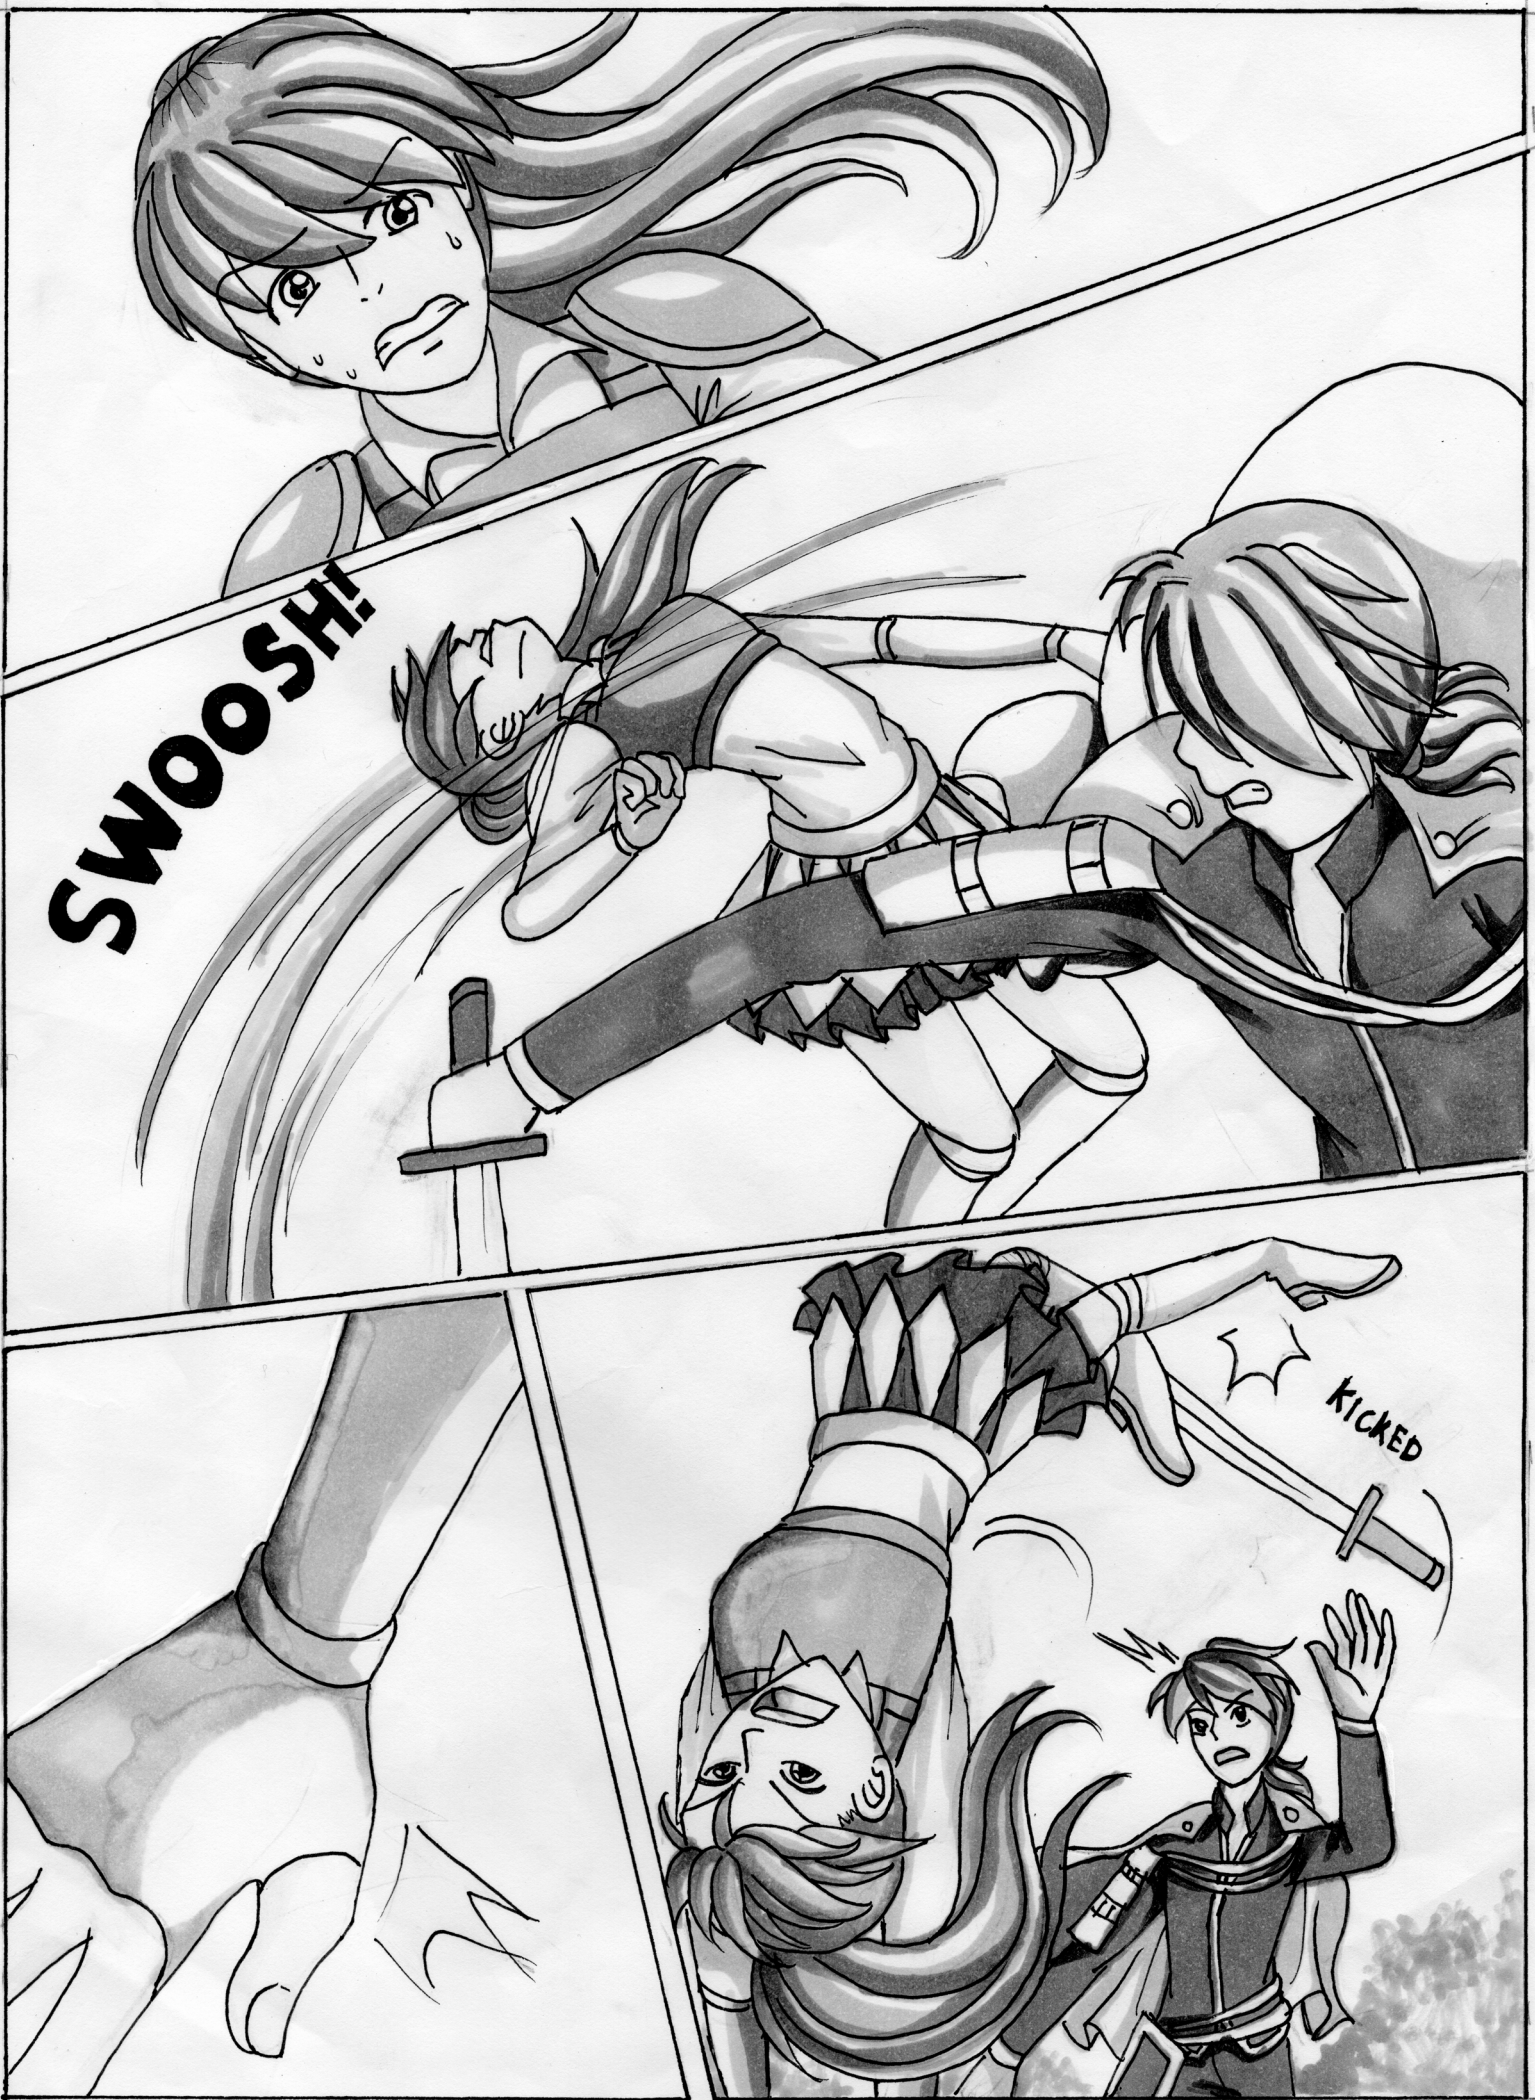

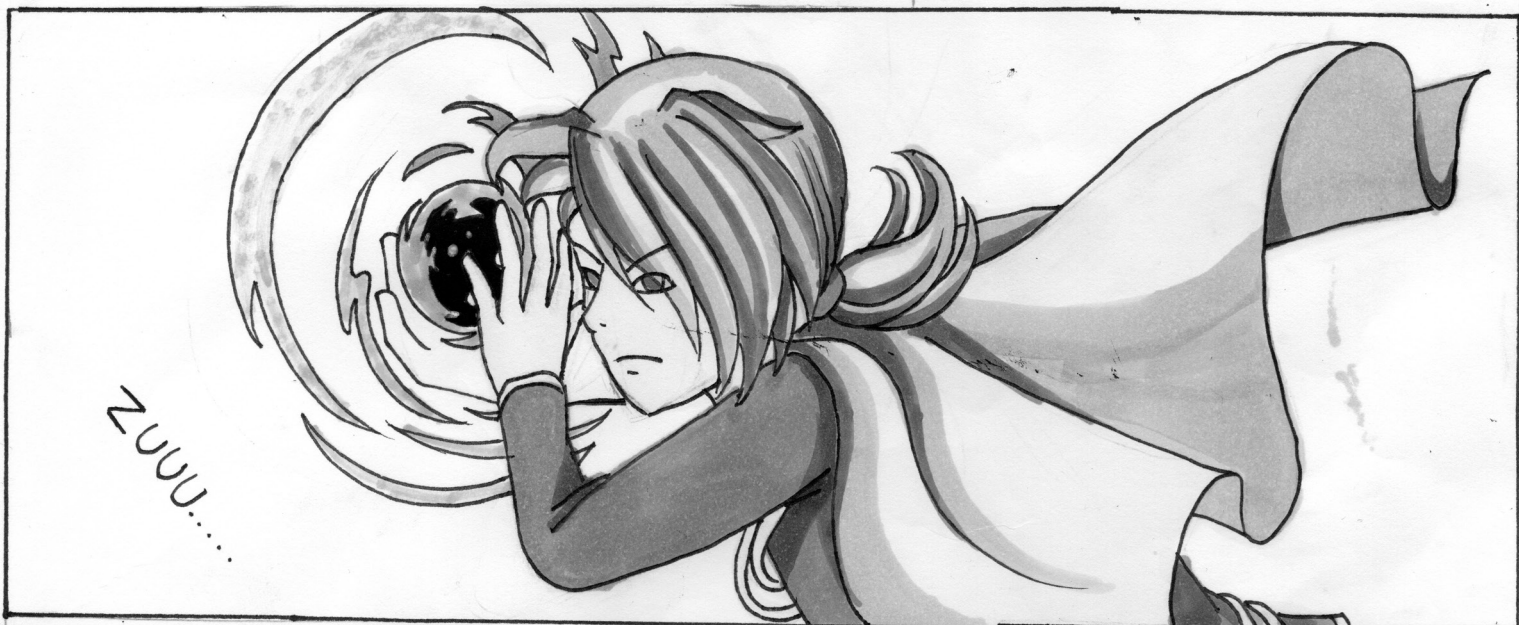

Swoosh!

KICKED

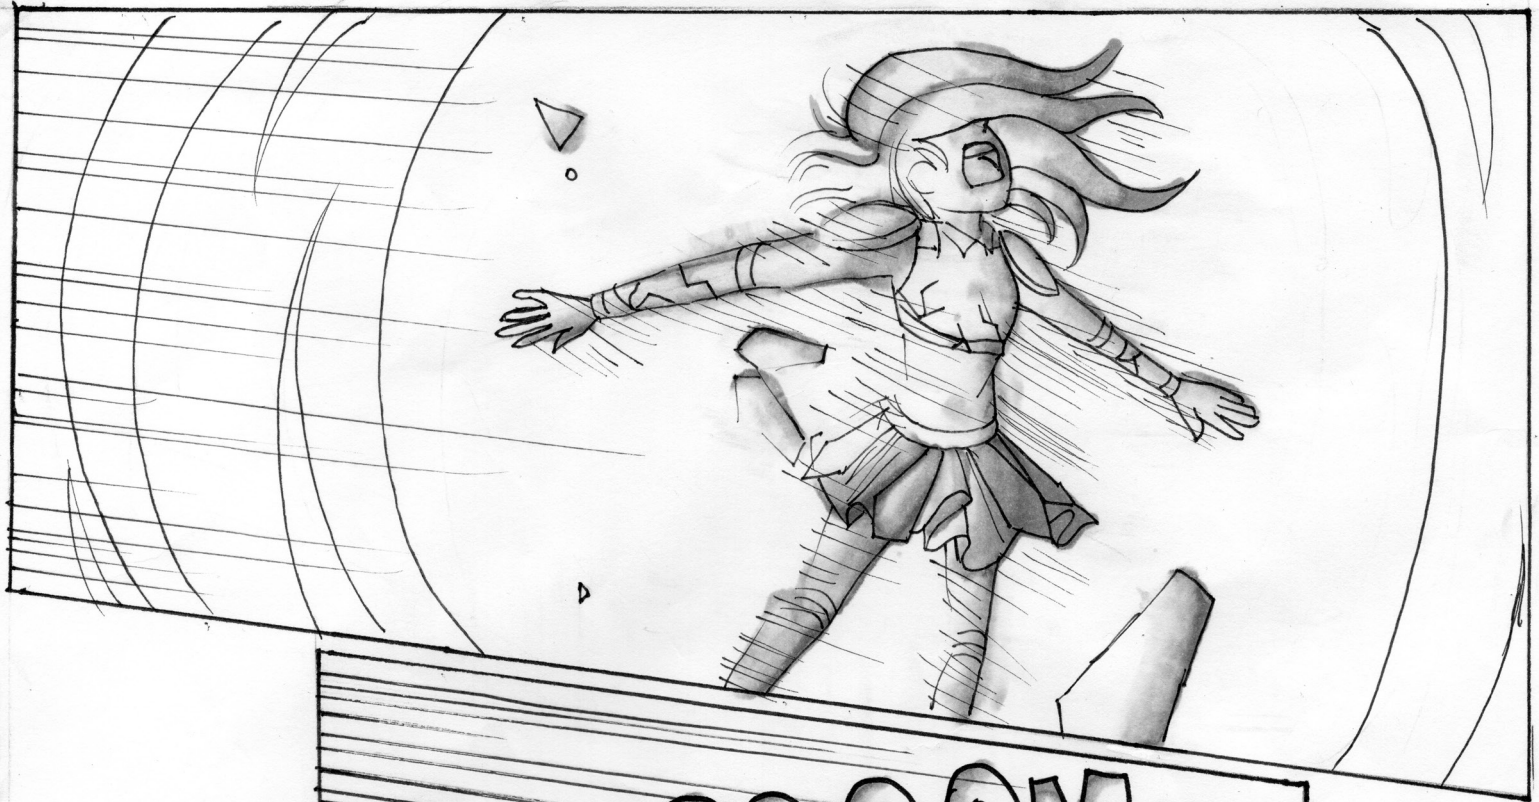

BOOOM!!

The flower.

I found it...

Your  
highness...  
I'm  
Sorry.

I...

dishonored  
you...

SLASH!!

Ever since the war  
between the kingdoms  
from the South and the  
North... All those years  
ago, they started to  
build a wall and rules  
between them. If they  
ever brake the rules, the  
punishment is death.
